JOHN CARLO A. ABANES
FULLSTACK DEVELOPER

09382932202
abierajc0707@gmail.com
Daet, Camarines Norte
https://jca-pied.vercel.app/

PROFESSIONAL OVERVIEW

Innovative and detail-oriented Full Stack Software and Mobile App Developer with extensive experience in designing, building, and deploying scalable web and mobile solutions. Proficient in the MERN stack (MongoDB, Express.js, React, Node.js) and NestJS for backend development, as well as Flutter and React Native for cross-platform mobile applications. Adept at creating modern, responsive UIs and integrating secure, high-performance APIs using Firebase, JWT, and Socket.IO. Passionate about clean architecture, performance optimization, and delivering reliable, user-focused digital products from concept to deployment.

WORK EXPERIENCE

Full stack Developer

Praetorian Intelligence INC, Daet, Camarines Norte | 2024- Present

- Design and implement responsive UIs and secure APIs, ensuring high performance, real-time synchronization, and seamless cross-platform experiences.
- Develop cross-platform mobile applications using **Flutter** and **Dart**, ensuring smooth performance on both Android and iOS.
- Design and maintain backend services using **Express.js**, integrating **Firebase** for authentication, cloud storage, and real-time database functionality.
- Build and manage secure RESTful APIs to connect mobile frontends with backend services.

Freelance Developer

Self Employed, Remote | 2022-Present

- Develop and maintain full-stack web and mobile applications using MERN (MongoDB, Express.js, React, Node.js), NestJS, and Flutter, integrating scalable and secure backend systems.
- Design and deploy modern, responsive interfaces with React and Tailwind CSS, and implement authentication, real-time features, and cloud integration using Firebase, JWT, and Socket.IO.
- Collaborate with clients to define project requirements, deliver optimized solutions, and deploy reliable applications via Render, Vercel, and Firebase Hosting.
- Optimize application performance, ensure clean architecture, and conduct testing and debugging.

EDUCATION

Bachelor's degree
Camarines Norte State College
2023

SKILLS

- Communication
- Teamwork
- Critical thinking
- Time management
- Leadership
- Adaptability
- Version Control
- Creative
